### **SEASON OFF TO A FLYING START**

What a great success our season opener race meeting was on the 23<sup>rd</sup> November. With 40 cars nominated, they delivered with some fantastic racing. A highlight of the night being the 2 car Sports Sedan feature race between Zoey Salau and Marc Hanson, the two raced side by side for 6 laps with the winner only being decided as they crossed the finish line. The compact speed cars as always amazed the crowd with their speed, close racing and lack of fear, they will be very exciting later in the year at their Australian Title.

*Congratulations to our feature race winners.*
