NIGHT TWO A TERRIFIC TREAT

Our second race meeting again ran without a hitch, despite some very hot and muggy conditions putting everyone to the test. We began the night by remembering Cyril Devereux and his contribution to the Swan Hill Motor Racing Club over many, many years. It was also fantastic to see the bank around the track full with cars and the grass full of chairs, it was a great turnout!

With over 20 Street Stocks in attendance and some very competitive drivers in that field we were treated to some fast, smooth and entertaining racing. A strong field of Standard Saloons, also put on a fantastic show, with many of our locals stepping up and showing what they are capable of. Meanwhile, our juniors continue to improve and inspire, well done kids! The Ladies, Sports Sedans and Formula 500's again with small but strong fields proved that sometimes you don't need a big field to put on a race.

Congratulations to our feature race winners.

THANKYOU

The Swan Hill Motor Racing Club must express our Thankyou to Frank Frost of Regional Fire Testing for the donation of essential fire equipment to the club. The updating and testing of existing equipment and donation of other required pieces ensures that we meet Speedway Australia requirements and Local Laws.

FUNDRAISING

Our next fundraising effort is coming quickly. The Swan Hill Motor Racing Club will be hosting a Bunnings BBQ on Saturday 29th February. We will require volunteers on the day to assist with cooking and serving. Please put this date in your diary's and consider putting your hand up to help.

STANDARD SALOON STATE TITLE

While we are all looking forward to a nice break between race days please don't forget that our next event will be the Standard Saloon State Title, 7&8th March.

This will be a busy weekend for all, and we cannot do it without help. Please consider how you can help over the two nights. Whether that be a few hours in the canteen, assisting with a BBQ, manning a gate during racing, helping maintain the facilities, selling raffle tickets or handing out giveaways. If you think you'd like to help please get in touch.

Lastly, we will be holding a working bee at the track Sunday before racing (1st March 2020). There will be lots of jobs to do in preparation for the title. Please put this date in your diary and come lend a hand.
