### **SEPTEMBER SUMMARY**

AFL grand final has been and gone, the NRL final has been played, Bathurst is this weekend, and that only means one thing... Speedway Season is starting!

It has been a fantastic lead up to the start of our season. Fundraising efforts are well under way, members new and old are sending their forms into the club, licences and logs books are starting to appear in the mail box, and improvements are being made around the track. Cars are being pulled out of the shed and some drivers are starting their 2019/20 season campaigns this month!

We hope you're all just as excited as we are for this season, because it is going to be HUGE!

### **MEMBERSHIPS, LICENSES & REGOS**

It's great to see so many of our members getting organised so early for the start of the season. We encourage those who may not have started the process yet to get onto it. As the start of the season gets closer and more and more people around the state try to get organised for their first race meeting, it only takes longer for you to receive your paperwork back from your governing body. To make sure you don't miss out on your first race meeting, we cannot stress highly enough the importance of beating the rush and getting it done early!

### **FUNDRASING**

The SHMRC committee want to extend the biggest thankyou to everyone that has come and volunteered some of their time to cook sausages at our two Coles BBQ fundraisers. Both fundraisers were a huge success with over \$800 raised between them.

Our next two fundraisers are Cake Stalls at Bunnings. For these fundraisers we require donations of baked goods from our club members. The only requirements are;

- *Nothing that requires refrigeration.*
- *Provide a short list of the ingredients.*

This is possibly the easiest way to contribute to a fundraiser so we hope to see lots of cakes, slices, biscuits and muffins ready for sale!

### **Bunnings Cake Stalls – 10am to 1pm**

Saturday 19<sup>th</sup> October 2019

Saturday 16<sup>th</sup> November 2019

### **Bunnings BBQ's - 8.30am to 4pm**

Friday 13<sup>th</sup> December 2019

### **SCRUTINEERING DAY**

Following on from the success of our first Scrutineering Day the committee has decided to schedule a second day, combined with a Working Bee.

*Sunday 3<sup>rd</sup> November, 10.30am onwards.*

If you cannot make it to the track on this day, you will need to arrange with a scrutineer to get your car daylighted.
