## NEWSLETTER

Edition 02

11<sup>th</sup> September 2019

### **NEXT MONTHLY GENERAL MEETING:**

Wednesday 18<sup>th</sup> September 2019

7.30pm

Swan Hill Club

### **SEPTEMBER SUMMARY**

It's great to see so many new ideas coming from our club members with how to improve our track and club. Suggestions of Mascots to relocating the pit box to commentators and VIP areas are all great signs of how passionate our members are about improving our club. While some are easy to roll out, some will take a little more planning but please don't let that stop you from being creative and putting your ideas forward.

Please remember that as the start of the season gets closer the list of jobs that need to be done will only get longer. So keep an eye out for working bees and offer as much help as you can. If we all chip in, we'll knock them over with no trouble!

Don't forget that this newsletter is for all of us, so feel free to share your stories, photos, birthdays and make this something that everyone can be involved in!

### **MEMBERSHIP & LICENSE PAPERWORK**

For those seeking to pick up/ hand in and/or pay for membership and license paperwork at the monthly general meeting, Esther Thomson and Emma Bull will be set up to process that paperwork for the half hour before the meeting starts. Please arrive at 7pm if you need to speak to them about any of these matters.

### **FUNDRASING**

During the off season unfortunately, the bills keep coming but the income stops. In order to cover these costs, we need to keep working on fundraising. The Swan Hill Motor Racing Club is booked in for BBQ's and Cake Stalls at both Bunnings and Coles in Swan Hill. Please ensure you volunteer at these fundraisers, when they are successful they can provide a good income to the club, but they require work. Even if you can put in few hours, those hours give someone a break that may otherwise be there all day! Please get in touch with Emma Bull to organise when and how you can help.

#### **Coles BBQ's – 10am to 3pm**

Saturday 21<sup>st</sup> September 2019

Saturday 28<sup>th</sup> September 2019

#### **Bunnings BBQ's - 8.30am to 4pm**

Friday 13<sup>th</sup> December 2019

### **LICENSING & REGISTRATION**

A lot of people have had questions about whether their license and registration process will change now that we are dual affiliated with Speedway Australia and VSC. For those who are racing VSC registered cars and visiting all VSC affiliated tracks – NOTHING CHANGES. You will still register your car with VSC and get a VSC license. Those that are driving in a national class or racing at tracks who do not have a VSC affiliation, such as Warnambool or Avalon, you will be required to purchase a Speedway Australia license. If you have questions about what license or registration you need, please get in touch with either Emma Bull or Esther Thomson.

### **PAST STATE AND NATIONAL TITLE WINNERS AND PLACE HOLDERS**

If anyone was, or knows of anyone, who was a past State or National Title winner or place holder (1, 2 or 3) please let us know! It can be in any state or in any class. Please think back to the old Woanna Park days as well as our current Chisholm Reserve Track.

We would like to build an Honour Board/Wall for these drivers in our club rooms. Therefore, we are looking for any information available, this could be photographs, class, year, track, and finishing position.

Please get in touch with Andrew "Ferg" Ferguson - 0428 323 040.

### **TRANSPONDERS**

Club members are reminded of the SHMRC's rules and regulations relating to transponders.

*"Feature classes and travelling competitors are given priority for Transponder hire. If a Swan Hill Motor Racing Club member wishes to hire a transponder on race night and there are no hire transponders left after catering to feature classes and travelling drivers, they will forfeit their points for the night"*

Don't risk having to forfeit your points on race night by relying on the clubs hire transponder. Orders are now open for the purchase of new transponders. Emma Bull will be taking orders up to Friday 20<sup>th</sup> Sept. Transponders can still be ordered after this date direct from the supplier, but delivery charges may apply.

All new transponder purchases come with a pre-activated subscription for 1, 2 or 5 years at the following prices.

#### **Subscription + Hardware**

1 Year - \$185

2 Years - \$245

5 Years - \$405

Once your initial subscription has expired you will need to re-subscribe for another 1,2 or 5 years at the following prices.

#### **Subscription Only**

1 Year - \$135

2 Years - \$209

5 Years - \$409
